RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS: In order to monitor any potential drug use by the defendant, it is recommended that a drug testing condition be added to assist the probation office in ensuring the defendant complies with the conditions of release. The defendant signed a waiver agreeing to this modification and her attorney has no objections to the proposed modification as well.

PRAYING THAT THE COURT WILL ORDER that the conditions of release be modified to include the following additional condition:

1. Submit to any testing required by the pretrial services office or the supervising officer to determine whether the defendant is using a prohibited substance. Any testing may be used with random frequency and include urine testing, the wearing of a sweat patch, a remote alcohol testing system, and/or any form of prohibited substance screening or testing. The defendant must refrain from obstructing or attempting to obstruct or tamper, in any fashion, with the efficiency and accuracy of any prohibited substance testing or monitoring which is (are) required as a condition of release.

Reviewed and approved,
